AFA Chapter 398

Teacher of the Year and Chapter Awards Dinner

AFA Chapter 398, Hurlburt Field, held its annual Teacher of the Year and Chapter Awards Dinner on 14 October at the Home 2 Suites in Fort Walton Beach. It was a great evening to recognize our outstanding Teachers of the Year, Community Partners and Chapter 398 members. Home 2 Suites provided a beautiful venue and a delicious dinner to make this an evening to remember.

Our outstanding Teachers of the Year are Ms. Jennifer Cook, Okaloosa STEMM Academy, Mr. Eric Davis, Davidson Middle School and Ms. Angelica Espeseth, Riverside Elementary. AFA Chapter 398 President, Dann Matizza presented certificates, trophies and mementos to our very deserving teachers.

Ms. Anna Prindle, Teacher of the Year 2025, Holley Navarre Intermediate, made a very informative and entertaining presentation on her experience at Space Camp in Huntsville, Alabama. The presentation led to a very interesting and engaging question and answer period with valuable tips for future attendees.

AFA Chapter 398 won numerous State and National awards again this year. Outstanding chapter members received recognition for their accomplishments at the Chapter, State and National levels.

The Boeing Company, a long-term Community Partner, was recognized as our Community Partner of the Year for their continuous outstanding support of the Chapter and Community throughout the year.

Lockheed Martin SOF GLSS was well represented at the dinner and sponsored the evening events. Thank you Lockheed Martin SOF GLSS.
